## FIXTURES SECRETARY REPORT

**MARCH 2024**

### Forthcoming major events in the region:

Date	Event	Comment
24/03/2024	SCOA Championships	With Chiltern Challenge
21/04/2024	SCOA Yvette Baker Trophy round	TVOC Hodgemoor
07/12/2024	Southern Night Championships	BKO
??/??/2025	SCOA Championships	???
??/??/2026	Southern Champs	???

### SCOA league:

The 2023/24 season has four events in 2023 and another three in 2024, making seven in total for the season.

Rob Mullens has taken over as the SCOA league administrator and has produced up to date scores which can be seen on the SCOA website.

### Other matters:

1) Regional events with missing officials:

- i. 01/06/24, SN, urban Cassino Park, no planner or controller
- ii. 02/06/24, BADO, urban Basingstoke, no officials

2) SCOA Champs 2025: can BKO host at the Concorde Chase? TVOC have hosted in 2023 and 2024 and the SOC Nov Classic is on the same weekend as two major junior events.

3) the 2025 Nov Classic is, exceptionally, being held in October 2025. Please be aware that this is a one-off occurrence and the event will revert to the first weekend in November from 2026. Do SOC want this event in UKOL? Is there a Saturday event to go with it (possible SO urban in Chichester?)?

4) Dates for level B events in the first half of 2026 are requested for the next ESG meeting on 15/10/24. This involves BKO and TVOC. Note that this is our year for the Southern Champs and a date for this is required by the ESG meeting. Ideally there would also be a Saturday event to make a weekend for UKOL.

5) SCOA will hold no CompassSport Cup round in 2024 or 2025 so we really need to run one in 2026. Offers please.
